

Termination 10 Watt,DC-3GHz,NM

Specifications

General Specification

Color	Black
Inner Contact Plating	Silver
Interface	N male
Outer Contact Plating	Tri metal
Housing	Black oxidation

Dimensions

Length*Width*Height	Ø35 mm * 60.5 mm
----------------------------	------------------

Weights

Weight, net	0.13 kg
--------------------	---------

Electrical Specification

Impedance, nominal	50 ohm
Power Rating	10 W
Frequency Range	DC-3GHz
VSWR, Max	1.15

Environmental Specification

Temperature Range	-10 °C to +50 °C
--------------------------	------------------

Regulatory Compliance

ROHS	Compliant
-------------	-----------
